Illinois Statewide Coronavirus

CHICAGO, IL - Ogden & Fry, conducted a five-question poll for the **Northwest Side GOP Club** on Wednesday May 6th, statewide regarding favorability of candidates and approval of executive handling of the Coronavirus Pandemic with 673 respondents. Respondents were selected by random sampling of likely 2020 General Election voters. The margin of error for this poll is +/- 3.85% at the 95% confidence interval.

Highlights:

- Illinois is evenly split in its view of how President Trump is handling the pandemic
- Illinois strongly supports Governor Pritzker's handling of the pandemic
- Illinois strongly supports the current stay at home order
- In the generic local ballot, Democrats lead Republicans by 5.2%
- Republicans and Democrats differ dramatically as to when states should re-open

Undecided	86	14.2%
Grand Total	606	100.0%

METHODOLOGY

Ogden & Fry strives to increase the accuracy of political polling by measuring voters most likely to vote based on voter history. Voting is a socialized behavior with predictable reliability and consistency.

Ogden & Fry maintains a database with 20 years of voting history. For this survey, respondents were randomly selected from those who voted in at least 1 of the last 3 General Elections.
